Dear Bruce:

Pamela and I send our sincere thanks for helping us with the recent G. Harvey 2010 event held in Fredericksburg, Texas. As you may know, we think the show was a huge success with all 26 new paintings sold. All paintings sold in the auction portion of the sale exceeded the average retail price. Additionally one piece, "The Young Collector" was auctioned for the benefit of the Cystic Fibrosis Foundation and the \$22,500 painting sold for \$63,000.

We couldn't have done this event without you and the help of many other vendors and volunteers in the community. We continue to feel blessed to be a part of this vibrant business community and strive to use businesses and services locally whenever possible. We heard very favorable comments from our attendees regarding all the services you provided, and our hope is that more business will come your way from the exposure you obtained from this event. Guests who attended were individuals from across the country, so exposing them to what we can pull together locally was one of our objectives in holding this event in the Hill Country.

Thanks again for being part of a wonderful event! We couldn't have done it without you!

Sincerely,

Tim T. Taylor, owner
